Monthly tuition payments are rounded to the nearest 50 cents with adjustments reflected in the final June payment.

Tuition payment options for the 2008/09 school year:

- 3% discount for paying annual tuition in full on or before the first day of school in the fall
- 2% discount for two equal payments; the first by the first day of school and the 2nd before the start of the 2nd semester
- Ten month payment plan is September through June
- Twelve month payment plan is July through June

All plans require the student body fee to be paid before or with the September tuition payment.

Tuition payments are **due on the 1st** of each month. A **\$30 late fee** will be assessed to your account after the 10th of each month. If the 10th falls on a weekend, the tuition will incur a late fee if not paid before the weekend. If an account becomes over 30 days past due, the student(s) may be asked to withdraw from school. Any extenuating circumstances should be addressed to the Administrator so that the school can work with the family before financial problems occur.

NOTE: Tuition payments do not fluctuate with holiday seasons, student absenteeism, or emergency school closures.

WITHDRAWAL FEE: A fee of \$50 is charged if a student withdraws. Additionally, one tuition payment (tuition divided by 10) is retained if the student has attended one week. After that, tuition is pro-rated based on the number of days in attendance times cost per day.

FAMILY DISCOUNT: There is a family discount after the first child. The second child receives a \$200 discount, the third child, a \$400 discount, the 4th child, a \$600 discount, etc. The initial rate is always figured at the student in the highest grade. Pre-K and half-day Kindergarten **are not** discounted.

SCHOLARSHIPS AND FINANCIAL AID: The **Scholarship** program was established to encourage new family enrollment and is for new families or families already established in the program. **Financial Aid** is available for any family who would like to apply. Applications must be submitted each year to apply for Scholarship or Financial Aid. There are limited funds available and awards are based on need.

VOLUNTEERING: Volunteers play an extremely important part in the success of CSLA. Volunteers work with the school faculty, staff, parents, and students to help ensure their success throughout the year. Each family choosing Schedule #2 tuition plan is expected to volunteer their time for a minimum of twenty-five (25) hours per family. (Not per student) This may be accomplished by one parent or in a combination of both.

The monetary value of this time is calculated at \$10.00 per hour. Therefore, the expected 25 volunteer hours per family equates to a \$250 credit to each child's tuition. Please understand that your time and effort put into CSLA is far more valuable than the money to the school.

Each family will keep track of their volunteer hours online through RenWeb. Partial credit at the \$10.00 rate will be given for hours served up to 25 hours. Any extra hours volunteered will not be credited toward this year's account or next year's volunteer hours. After the last day of school, families will be billed at a rate of \$10.00 per hour for hours not served if you had chosen Schedule 2 billing throughout the year.

REGULAR & DISCOUNTED TUITION VS. ACTUAL COST: Discounted Tuition is the minimum amount required. However, please consider paying the Actual Cost of your child's education. At the end of the fiscal year you will receive a receipt acknowledging any donation to CSLA above the Regular Tuition payment.

Regular Tuition does not cover the actual cost of educating a CSLA student. **Any amount you choose to donate above the Regular Tuition level will be credited as a donation to the school and is tax deductible.**

Grade Level	Pre-K	½ Day Kindergarten	All Day K – 5 th Grade	6 th – 8 th Grade	9 th – 12 th Grade
