

PHASE ONE COMPLETE!

Last Monday, our new swing set was dedicated at the Wynooski campus. We would like to thank the Saunders Company, Coleman family and Jeff Peterson for making the installation possible, as well as Miss Barlow for spearheading the fundraising for this wonderful addition to our playground. God bless them and everyone else involved in making this possible!

Now, who is ready for Phase II?!

MOMS IN TOUCH

“Moms In Touch” meets for one hour every Thursday morning from 8:15-9:15. Meetings take place in the High School Lunchroom.

Please feel free to join them any time you are able for this time of prayer for our students and staff. Contact Beth Banke at 503-985-7765 if you have questions.

Volunteer Opportunities

Help PreK-8th grade bring back hot lunch! We are looking for a few people willing to help even one day a month with the hot lunch program. The Wynooski kitchen is looking good, and is longing to be used. So let's fire up those ovens, and have fun working together to feed our kids! Contact the Wynooski campus fat 503-538-2242 for more details on how you can help.

IMPROV NIGHT A SUCCESS

Thanks to all the folks who came out last Thursday night to watch the High School and Middle School Students team up to amuse us on Improv Night! As an added treat, the audience was also wowed and amazed by the Middle School Worship Dance class. What fabulously talented students we have! The evening was filled with families, teachers and students laughing, cheering, and clapping. To top off the great evening, \$581.80 was donated to the two Haitian orphans and their orphanages that C.S. Lewis Academy supports. The entire event was a huge success!

Congratulations, also, to our high school drama students who will be presenting four scenes at the regional competition in early February.

Thank You!

Another milestone was passed in our restoration of the Harding Building. Our deepest thanks to Todd Saunders and the Saunders Company for installing the new backflow valve that will prevent flooding from the city's drainage system back into our building.

First Federal Gives Back

1st Federal Bank is now taking votes from their members for allocate contributions to local non-profits. If you bank with 1st Federal, please make sure to fill out your ballot for C.S. Lewis! Also, the bank has instituted a program that matches volunteer hours at non-profit organizations with a financial contribution. If you bank with 1st Federal and volunteer at CSLA, please consider signing up for this great program!
