

TWO CSLA SENIORS RECEIVE NATIONAL RECOGNITION

This week the list of semi-finalists in the 2010 National Merit Scholarship Program were published nationwide. Heather Blattner and Susan VanNoord both qualified to compete for the 8200+ National Merit Scholarships, worth more than \$36 million dollars, that will be offered next spring. More than 1.5 million juniors entered the 2010 National Merit Scholarship Program by taking the 2008 PSAT, which served as an initial screen of program entrants; approximately 16,000 students were selected as semi-finalists and will advance to the Finalist level of the competition. Congratulations Heather and Susan!

The light, she is dawning,
The end is quite near,
Our basement is healing,
Join us in a cheer!

Another great hurdle
Has been cleared with ease,
As GFU's Serve Team,
Came and us they did please!

They carried, they lifted,
And unpacked a ton,
Put books in right places,
Then checked every one!

Our Library's now ready,
Its great wealth to lend,
So we'll be in business,
At September's end!

This little anonymous ditty is one attempt to share the joy of having so much wonderful help from the GFU Serve Day Group. They were magnificent!

But far beyond that, the lift of having our library, so long buried boxes in the Performing Arts Center, returned to its rightful place is wonderful. We are rejoicing as a whole community here on the Wynooski campus.

Those who have walked through the library, the entire basement for that matter, are somewhere near amazed at all the professionals and volunteers have accomplished to turn disaster into beautiful, useable space.

NO—we are not finished yet, but we are closing in. Don't be surprised if we ask for a few more volunteers in the near future. We still have a little of thisa and thata to complete the task. For now, just join us in feelin' mighty fine!

EXCELL-ENT SPONSOR

Excell Fitness has been a regular sponsor of our school and we would like to thank them for their generous support of our athletic and physical education programs. They are once again helping our students this year by letting the high school physical education class use their gym for weight training. Excell Fitness and the athletic department also work closely together in offering our high school student athletes a free gym membership for the school year. Please take a moment to stop in, say thank you and check out the gym. Our programs would not be as successful without their dedication.
