

## CSLA Teams Up With 4-H for the 2008/2009 School Year!

Looking for something fun to do after school? Want to learn or share a talent, skill, craft, etc.? CSLA is working to sponsor 4-H clubs after school hours beginning this fall. In order to make this program a success and to hit the ground running, we want to hear from you! Students: are there classes you would like to participate in? Parents/High school students: are there classes you are interested in teaching?

CSLA will provide the space, 4-H provides training and curriculum, opportunities to show and/or compete, summer camps, and even some equipment, etc. The 4-H OSU extension office offers curriculum in several areas and many more are available through the 4-H website (<http://oregon.4H.oregonstate.edu>).

Examples of curriculum include: Animal Science (cows, horses, dogs, goats, rabbits, etc.), Engineering (bicycle, electricity, tractor, woodworking, etc.), Expressive Arts (art, ceramics, cultural arts, fiber arts, leathercraft, photography, etc.), Home Economics (child development, sewing, crocheting/knitting, food and nutrition, food preservation, etc.), Horticulture (flowers and ornamentals, vegetables and herbs, etc.) Leadership, Natural Science (outdoor discovery, environmental stewardship, entomology, forestry, geology, marine science, conservation and environmental education, etc.), and more.

(continued next column)

We can use curriculum already developed through 4-H or develop our own depending on the needs and interests of those who wish to be involved. Please let us know how you would like to get involved by emailing Julie George at [jgeorge@cslewisacademy.com](mailto:jgeorge@cslewisacademy.com) or leave a note in her box at the Wyooski Campus.

## Auction

Thank you to all those who participated in the auction. Our live auction was a huge success with a final tally of \$42,000! Total contributions for the live and silent auctions, as well as the raffles, totaled \$60,000. There was a great response to funding the building of our new classrooms. Thank you for supporting the mission of our school and providing the means to create a safe, nurturing, and fully equipped learning environment.

## **WYNOOSKI NEWS**

### Books Due      Club Herald

All books are due back to the library by Friday, May 30. Fines for replacement cost of outstanding and/or damaged books will be assessed Friday, June 6. If you find books over the summer, you may return them and your payment will be cheerfully refunded.

### Summer Tutoring

July 1st to August 21st  
Tuesday, Wednesday, &  
Thursday,  
9:00 AM to Noon

C.S. Lewis Academy's certified 4th grade teacher is offering summer tutoring classes for grades Kindergarten through Sixth Grade. All subject areas are being offered with an emphasis in reading, grammar, handwriting and arithmetic. If interested please contact Myla Natvig at 503-537-9575 or Myla456@netscape.net

Have you seen the Club Herald come home with your kids? The last issue of the year was just delivered. This is a local newspaper written by kids (grades 4-8) for kids. CSLA is proud to be a part of this wonderful publication. Throughout the school year, our kids have had articles, pictures and quotes included in the paper. This is just another way of encouraging a hands on, relevant writing experience for our students. A big thank you goes to CSLA parent Marlene Grant, editor of the Club Herald.
