ROBOTICS TEAM

The Lego Robotics team will participate in regional competition on December 14 in Wilsonville. This year's topic is global warming. The team will be judged in four areas: robot performance, research project presentation, teamwork, and technical knowledge. The team members are Emily Weiler, Katie McElderry, Colin Ford, Christian Blair, Laundry Saunders, Lewis Thurston, Spenser Coleman, Alex Weiler, Jared McElderry, and Brendon Ford.

STAR LAB

The 6th grade earth science class will present their constellation projects inside a star lab planetarium to the 2nd, 3rd, and 4th graders this Thursday in our high school gymnasium.

The true **light** that gives **light** to every man was coming into the world.
John 1:9

Character Corner

"Americanism is a question of principle, of purpose, of idealism, of character. It is not a matter of birthplace or creed or line of descent."

THEODORE ROOSEVELT (1858-1919)
