

WINTER IS UPON US!!!

INCLEMENT WEATHER PROCEDURE

As winter approaches, CSLA would like to remind families that school closures may occur due to weather conditions. Severe weather, power outages or other conditions may require school to start late, cancel classes or close early. In these events, we follow the lead of the Newberg School District. You may check their website, www.newberg.k12.or.us, or call their snow lines: 503-554-5001 or 503-538-5897. They usually make a decision by 6:00 a.m.

Most local radio and television stations also post information during their morning newscasts. Look for Newberg Schools postings on the bottom of the television screen.

School usually stays open if the **majority** of the students in the district can travel safely. Weather on the mountains or outlying areas may be hazardous, while roads in town are safe for travel. If schools are forced to close during the school day, every effort is made to contact parents. Parents are encouraged to develop a plan for their child in the event of an early closure.

Moms In Touch

Moms In Touch will be meeting at the High School campus on Thursday mornings from 8:15 to 9:15 a.m. in the teachers lounge. Please feel free to join in this wonderful time of prayer. Contact Beth Banke at 503-985-7765 or Sonja Herigstad at 503-538-5841 with prayer requests or questions.
