THANK YOU, MR. BREITHAUPT

Chris Breithaupt, our middle school science and math teacher, announced that he will be leaving CSLA due to personal family reasons. His last day with us will be December 19. We are thankful for the time we have had with Mr. Breithaupt. He brought an energetic, thoughtful style to the classroom.

Interviews have been conducted among candidates interested in this position and an offer has been made to the leading candidate.

We will inform everyone as soon as we hear that the position has been accepted.

We will keep Mr. Breithaupt and his family in our prayers and we wish him all the best in the future.

ROBOTICS TEAMS WIN BIG !!

Congratulations to both CSLA Lego Robotic Teams who competed this weekend at a local qualifying tournament held at Mentor Graphics. Both teams have won spots at the State Championship Tournament in January!

The Electric Lions had the top score on the table competition (with the robot) and had very solid scores in Teamwork, Technical, and Research Presentation.

IPower had the top score in Research Presentation, 2nd highest in Teamwork, 3rd highest in Technical and 4th highest on the table competition.

Great job, everyone! We're proud of you!

MERRY CHRISTMAS!

The staff & faculty of C.S. Lewis Academy would like to express our heartfelt thanks and appreciation for all of our CSLA families. It is an honor and privilege to serve our students and co-workers in such a wonderful environment. We are blessed by all of your support, encouragement, and prayers; it is making a difference in the lives of many! We wish you and yours a safe, blessed and glorious Christmas season.
