SCHOOL BEAUTIFICATION & MAINTINANCE

- Weeding
- Mowing and Weed Whacking
- Pressure Washing
- Painting etc.

We are always looking for folks who have a minute to lend a hand to keep our campus looking its best! You can often times find Mr. Swanson in the parking lot with the leaf blower, but we'd love to keep him free to do all the "principally" things, so if you would like to help with any beautification projects please contact volunteer@cslewisacademy.com, or just talk to Mr. Swanson!
